Three main things, among others, were set forth by the divine, that our college is expected to be: (1) "A missionary college; (2) a Baptist Institution; (3) to give the solution of the problems besetting our people." The sagacious man closed his profound message by pointing the listeners to Jesus Christ as the One who is able to solve all problems.

REPORT OF SUNDAY SCHOOL BOARD

By George S. Stokes

Brother Moderator and fellow-co-workers in Christ, your Sunday School Board submits the following:

This is a day and age of advancement along many lines of endeavor. The church, therefore, has an exceedingly high duty in guiding advancements so as to keep them in the proper channel. Being therefore, conscious of this fact we, recommend:

1. That the pastor, who is the general supervisor and spiritual advisor of the church with its various departments, will engage himself in such courses of study (those who haven't and are not already engaged), that will properly enlighten him on Sunday School methods and church development in general. As a guide in this course of study we commend to you the book by Coe on "Religious Education."

2. That every possible method that is needed be employed by all of our churches to bring, the two million five hundred thousand persons in the South who do not attend any Sunday School, into the Church School and lead them on to the acceptance of Jesus as their Savionr.

3. Since the Sunday School is a part of the church and that all the Christians are endeavoring to extend God's kingdom we recommend that a closer co-operation and a brighter mutual understanding be had between the Wake County Sunday School Convention and all organizations in the radius of this Association; and that a representative will be asked of these bodies: Namely the County Sunday School Convention, B. Y. P. U. Convention, Ministerial and Deacon's Union, and the Wake Baptist Missionary Union to appear in this Association annually, represent with money to the strength of their power and report the work done by these departments during the year.

4. In order to escape the guilt of allowing the Sabbath to be kept unholy by many of our people due to holding a part of our County Sunday School Convention Sessions on that day, we recommend the time of meeting of the Wake County Sunday School Convention be changed to convene some other day beside Sunday.

5. We urge each Sunday School to represent not only in the County Convention, but annually in the State Baptist Sunday School Convention, and designate one Sunday in each month during the year as Mission Sunday, and send all money raised that day to the Corresponding Secretary of the State Sunday School Convention, Rev. M. W. Williams, Raleigh, N. C., for Shaw University.

6. We recommend the weekly teachers meeting with the presence of the pastor to instruct them in God's word.

(a) For use in our Sunday Schools we point you to "The Teacher" editored by Dr. S. N. Vass, Nashville, Tenn.

7. As far as it is feasible we urge the pastor to arrange for a teacher training course in his Church School.

8. Since golf playing on the Sabbath Day does not build up Kingdom interest, we recommend that all Christians will cease its activities, abolish the game and ask the employers for a recreation day for their employees some time during the week other than Sunday.

Respectfully,

BOARD.

REPORT ON PLACE OF NEXT MEETING

The Committee on Place of Next Meeting hereby recommends that the next Annual Session of this Association be held with the Friendship Baptist Church, near Wake Forest, N. C.

Respectfully,

COMMITTEE.

HOME MISSION BOARD'S REPORT

Whereas nineteen hundred years ago the Saviour of mankind closed His earthly ministry by saying, "Go ye therefore, and teach all nations, baptizing them in the name of the Father and of the Son, and of the Holy Ghost";

And whereas, His true followers since that day have sacrificed their all that men might hear this good news; and

Whereas, the ministers and laymen of Wake County more than sixty years ago perfected this Wake Baptist Association for the purpose of more efficiently spreading the Gospel of Jesus Christ: we find ourselves today in the sixty-fourth annual session still trying to carry on in this great mission; Be it Resolved:

1. That we take new courage to carry out the command of our Saviour and go forth in the faith of our fathers.

2. That the stronger pastors and churches go to the rescue of the struggling churches and pastors and assist them in constructing a program so as to be self-supporting.

3. That we be grateful to Providence for the fathers in the ministry, who have made possible the churches, and that a special fund be raised for them as part support.

4. That we dedicate our lives anew to the task of evangelizing the world.

W. C. SOMERVILLE, Chairman.

REPORT OF EDUCATIONAL BOARD

Whereas education is one of the imperative needs of the present age, and whereas it is essential to living a successful, helpful and complete life, and whereas we have to pay taxes for public education, we recommend the following:

First. That advantage be taken of the opportunities, and that we see to it that our own children attend the public schools as many days

during the session as is practicable and convenient so to do and urge upon others to do the same.

Second. That after completing the public school course of studies, our young men and women attend college, where they may receive a broader and more specific course of training for the varied duties and activities of life.

Third. That we pledge our loyal and unstinted financial support to Shaw University.

Fourth. That our Licentiate Ministers take advantage of every opportunity to better prepare themselves along educational lines to render efficient and acceptable service wherever duty calls.

BOARD MEMBERS:

REV. A. B. JOHNSON, Chairman.
REV. C. F. POPE.
REV. C. C. CLARK,
DEAN W. S. TURNER.
DR. J. B. DAVIS,
REV. H. Y. CHEEK.

REPORT OF FOREIGN MISSION BOARD

The Foreign Mission Board of this Association desires to submit the following report:

During the associational year there have been many urging and sympathetic appeals for help from all of the foreign fields, and especially from Africa. The forces of darkness are pressing hard to eradicate the work of the foreign missionaries.

Therefore, we recommend:

1. That special prayer be offered by this Association for those who have gone forth to preach the Gospel to every creature. That the Lord preserve them from all dangers to which they may be exposed—from doubt and impatience; from discouragement and discord; from all the devices of the powers of darkness.

2. That every pastor preach at least one foreign mission sermon each year, calling attention to the conditions of the foreign field, names of our missionaries, and urging his people to support the missionaries.

D. P. LEWIS.

REPORT OF COMMITTEE ON TEMPERANCE

Whereas intemperance along any line hinders Christian development, therefore; Be it Resolved:

1. That Christians everywhere practice temperance in all things.

2. That parents and public school teachers will persuade the youth of the nation to let this practice lay hold on them.

Respectfully,

COMMITTEE.

REPORT OF COMMITTEE ON NEW CHURCHES

Representing the Wake Baptist Grove Baptist Church, Garner, N. C., Bros. Clyde Avery and G. H. Rogers, come to us with a letter from the said church applying for membership in the Wake Baptist Association. The church is in Gospel order, therefore, we recommend that it become a member of this Association.

Respectfully,

COMMITTEE.

REPORT ON MODERATOR'S ADDRESS

We have examined the address of the Moderator with the recommendations and find it sane, forceful and timely. Therefore, we approve the same and recommend its adoption with the recommendations.

Respectfully,

COMMITTEE.

REPORT OF COMMITTEE ON RESOLUTIONS

We, the Committee on Resolutions, offer the following recommendations:

First, that we thank the pastor and congregation of the Wakefield Baptist Church for their cordial entertainment and pray for God's richest blessings to rest upon them during the coming year.

Second, that we advise our people that they co-operate with the general plan for Shaw University advanced by Mr. W. C. Craver, and as far as possible report with money by Founders' Day, November 21, through the Secretary of the Association.

Third, that in these times when so many people are out of work or uncertain as to the comforts of life, we advise our people to cultivate all possible thrift and sobriety, keeping their eyes fixed only on the goal, and waiting ever for the full coming of the Kingdom of Christ.

Respectfully,

COMMITTEE,

BENJAMIN BRAWLEY, Chairman.

REPORT OF COMMITTEE ON OBITUARY

Whereas it has pleased our Heavenly Father to take unto Himself many of our co-workers in this Association from various churches; Be it Resolved:

1. That we bow in humble submission to His will.

2. That we pause five minutes to pay suitable respect in memory of the sainted dead.

Respectfully,

COMMITTEE
